

Existing Loan Details - NVIDIA Corporation

nvidia

Prepared on 2026-07-14T11:01:10

1. Introduction

This document provides a comprehensive summary of the existing loan facilities availed by NVIDIA Corporation (CIN: C0586842), a leading manufacturer of graphics processing units (GPUs) and artificial intelligence (AI) technologies headquartered in Santa Clara, California. The information herein is accurate as of July 14, 2026, and is intended for use in the credit evaluation process for a requested limit of \$500,000.

NVIDIA Corporation has maintained a robust financial profile, with a revenue of \$26.974 billion, EBITDA of \$10.26 billion, and a net worth of \$28.75 billion as of the latest financial year. The company's strategic relationships with key customers such as Dell Technologies Inc., Microsoft Corporation, and Tesla, Inc., along with suppliers like Taiwan Semiconductor Manufacturing Company Limited and Samsung Electronics Co., Ltd., underscore its market leadership and operational stability.

2. Summary of Existing Loan Facilities

NVIDIA Corporation currently holds the following active loan facilities, structured to support its operational and strategic initiatives. All facilities are denominated in USD and governed by standard lending agreements with reputable financial institutions.

Lender	Sanctioned Amount (USD)	Outstanding as of July 2026 (USD)	Interest Rate	Tenure	Collateral
Bank of America	2,500,000,000	1,250,000,000	LIBOR + 1.5%	5 years (2024-2029)	Intellectual Property
JPMorgan Chase	1,000,000,000	450,000,000	SOFR + 1.2%	3 years (2025-2028)	Accounts Receivable
Wells Fargo	500,000,000	200,000,000	Fixed 3.8%	4 years (2023-2027)	Equipment
Citibank	300,000,000	150,000,000	SOFR + 1.0%	2 years (2026-2028)	Inventory

3. Repayment Schedule and Performance

NVIDIA Corporation has demonstrated consistent adherence to its repayment obligations across all existing loan facilities. The following table outlines the repayment schedules and performance metrics for each facility as of July 2026.

Next Installment Due	Installment Amount (USD)	Total Installments Paid	Total Installments Remaining	Days Past Due (if any)
2026-08-15	62,500,000	10	10	0
2026-07-31	22,500,000	6	18	0
2026-09-01	12,500,000	8	16	0
2026-07-25	12,500,000	3	9	0

4. Collateral and Security Details

The existing loan facilities are secured by a combination of tangible and intangible assets, ensuring lender confidence and mitigating credit risk. The collateral details for each facility are as follows:

Type	Collateral Description	Estimated Value (USD)	Lien Status	Valuation Date
Intangible	Patents and Trademarks (AI and GPU Technologies)	3,000,000,000	First Lien	2026-07-14

Type	Collateral Description	Estimated Value (USD)	Lien Status	Value
Credit Facility	Manufacturing Facilities (Santa Clara, CA and Austin, TX)	1,500,000,000	Second Lien	2026
	Accounts Receivable (Dell Technologies Inc., Microsoft Corporation)	600,000,000	First Lien	2026
	Semiconductor Manufacturing Equipment (TSMC and ASML)	550,000,000	First Lien	2026
	Inventory (GPUs, AI Chips, and Components)	350,000,000	First Lien	2026

5. Lender Relationships and Credit Terms

NVIDIA Corporation maintains strong relationships with its lenders, characterized by favorable credit terms and proactive communication. The following lenders are key partners in the company's financing strategy:

Relationship Manager	Contact Email	Credit Terms Overview	Facility Re
Sarah Chen	sarah.chen@bankofamerica.com	Competitive interest rates, flexible repayment options	Annual
Michael Rodriguez	michael.rodriguez@jpmorgan.com	Dynamic credit limits, priority processing	Semi-Annua
Emily Thompson	emily.thompson@wellsfargo.com	Fixed interest rates, equipment-specific financing	Annual
David Kim	david.kim@citi.com	Low-cost working capital solutions, quick disbursement	Quarterly

6. Compliance and Regulatory Adherence

NVIDIA Corporation ensures full compliance with all regulatory requirements governing its existing loan facilities. The company adheres to the following standards and frameworks:

- ****Dodd-Frank Act****: Compliance with financial regulations and reporting requirements.
- ****Basel III****: Adherence to capital adequacy and risk management guidelines.
- ****GAAP (Generally Accepted Accounting Principles)****: Accurate financial reporting and disclosure.
- ****Sarbanes-Oxley Act (SOX)****: Implementation of internal controls and audit procedures.

All loan agreements include standard covenants, such as maintaining a minimum debt-service coverage ratio (DSCR) of 1.5x and a maximum leverage ratio of 3.0x. As of July 2026, NVIDIA Corporation is in full compliance with all covenants, with no breaches reported.

7. Future Loan Obligations and Strategic Outlook

NVIDIA Corporation's existing loan facilities are strategically aligned with its long-term growth objectives, including expansion into AI-driven markets, data center solutions, and automotive technologies. The company anticipates the following future obligations and strategic initiatives:

- ****Refinancing****: Evaluation of refinancing options for the Term Loan facility maturing in 2029 to optimize interest costs and extend tenure.
- ****New Facilities****: Exploration of additional credit lines to support R&D investments in next-generation GPU architectures and AI platforms.
- ****Collateral Expansion****: Inclusion of new intellectual property and manufacturing assets as collateral to enhance borrowing capacity.

The company's strong financial performance, diversified revenue streams, and strategic partnerships position it favorably for accessing additional credit facilities as needed.

8. Conclusion

NVIDIA Corporation's existing loan portfolio reflects a disciplined approach to debt management, characterized by favorable terms, strong lender relationships, and robust collateral coverage. The company's adherence to repayment schedules and regulatory compliance underscores its creditworthiness and financial stability.

This document serves as a comprehensive reference for evaluating NVIDIA Corporation's existing loan details in the context of the requested credit limit of \$500,000. For further inquiries, please contact the company's Treasury Department at treasury@nvidia.com.
