3. Input Tax Credit (ITC) Availment

NVIDIA Corporation avails Input Tax Credit (ITC) on eligible inward supplies from registered suppliers, including Taiwan Semiconductor Manufacturing Company (TSMC), Samsung Electronics, and ASML Holding. ITC is claimed in accordance with GST regulations, ensuring no credit is availed on exempt supplies or personal expenses.

The following table summarizes ITC claims for the quarter, aligned with the supplier relationships outlined in Asset_Details.pdf.

Description	Taxable Value (USD)	CGST (9%)	SGST (9%)	Total ITC (USD)
Semiconductor Wafers (TSMC)	980,000,000	88,200,000	88,200,000	176,400,000

Total ITC Claimed	1,580,000,000	142,200,000	142,200,000	284,400,000

4. Net GST Liability

The net GST liability for NVIDIA Corporation is calculated by offsetting the total GST collected on outward supplies against the Input Tax Credit (ITC) availed. The company maintains a positive compliance status with no pending dues or penalties.

Details are as follows:

Particulars	Amount (USD)
Total GST Collected (Outward Supplies)	441,000,000
Less: ITC Availment	284,400,000
Net GST Payable	156,600,000
Late Fees/Interest (if any)	0
Total Liability	156,600,000

5. Reconciliation with Financial Statements

The GST returns are reconciled with NVIDIA Corporation’s financial statements for the quarter ending June 2026. The taxable supplies align with the revenue figures reported in Company_Profile.pdf (\$26.974B annualized), adjusted for GST-exempt and zero-rated transactions.

Key reconciliations include:

- Domestic sales (GPU/accelerators) correlate with the \$1.85B quarterly revenue from U.S. customers.
- Exports (zero-rated) match the \$2.1B quarterly revenue from international clients (e.g., Tesla, Sony).
- ITC claims are verified against supplier invoices and payment records, ensuring compliance with GST rules.

Financial Statement Line Item	GST Return Equivalent	Amount (USD)
Total Revenue (Quarterly)	Taxable Outward Supplies + Exports	4,550,000,000
Cost of Goods Sold (COGS)	ITC-Eligible Inward Supplies	1,580,000,000
Net GST Liability	GST Payable (Section 4)	156,600,000

6. Compliance and Certifications

NVIDIA Corporation certifies the following compliance status for the quarter ending June 2026:

- All GST returns (GSTR-1, GSTR-3B) are filed within statutory deadlines.
- No notices or demands have been received from tax authorities regarding GST non-compliance.
- Input Tax Credit is availed only on invoices uploaded by suppliers in the GST portal (GSTR-2A/2B reconciliation).
- The company maintains digital records of all tax invoices, debit/credit notes, and e-way bills as per GST regulations.

This declaration is made under the authority of Colette Kress (CFO) and aligns with the statutory declarations submitted in Declarations.pdf.
