

Certificate of Incorporation of Microsoft Corporation

microsoft

Prepared on 2026-07-18T13:41:24

Certificate of Incorporation

This certifies that Microsoft Corporation (the "Corporation") is duly incorporated under the laws of the State of Washington, United States of America, and is authorized to conduct business as a corporation effective from April 4, 1975.

The Corporation is formed for the purpose of engaging in any lawful act or activity for which corporations may be organized under the Washington Business Corporation Act, including but not limited to the development, manufacture, licensing, and support of software, hardware, and related services.

Incorporation Details	Value
Corporate Name	Microsoft Corporation
Date of Incorporation	April 4, 1975
State of Incorporation	Washington, USA
Registered Office Address	One Microsoft Way, Redmond, WA 98052, USA

Corporate Identification Numbers

The Corporation is identified by the following official registration numbers for tax, legal, and regulatory purposes:

These identifiers are used for compliance with federal, state, and international regulations.

Identifier Type	Number
Permanent Account Number (PAN)	MICRO7568S
Goods and Services Tax Identification Number (GSTIN)	27MICRO7568S1Z5
Corporate Identification Number (CIN)	U72200WA1975PLC000001

Authorized Share Capital

The Corporation is authorized to issue shares of common stock with a par value determined by the Board of Directors. As of July 2026, the authorized share capital is structured to support the Corporation's operational and strategic initiatives.

The requested credit limit of \$5,000,000 is aligned with the Corporation's financial standing, including its revenue, EBITDA, and net worth.

Financial Metric	Value (USD)
Requested Credit Limit	5,000,000
Annual Revenue (FY 2026)	211,915,000,000
