

Goods and Services Tax (GST) Registration Certificate for Microsoft Corporation

microsoft

Prepared on 2026-07-18T13:25:46

Certificate of GST Registration

This certifies that Microsoft Corporation (hereinafter referred to as the 'Taxpayer') is duly registered under the Goods and Services Tax (GST) framework applicable in the United States of America. This registration is valid for all taxable supplies of goods and services rendered by the Taxpayer within the jurisdiction of the USA.

Registration Number: ****US-GST-2026-987654321****

Date of Registration: ****July 1, 2026****

Effective Date: ****July 1, 2026****

Registration Type: ****Regular Taxpayer****

Tax Jurisdiction: ****Federal and State (Washington)****

Field	Details
Legal Name	Microsoft Corporation
Trade Name	Microsoft
Permanent Account Number (PAN)	AAACM1234A
Corporate Identification Number (CIN)	C065237-WA
Registered Address	One Microsoft Way, Redmond, WA 98052, USA
Email	taxcompliance@microsoft.com
Phone	+1 (425) 882-8080
Authorized Signatory	Amy Hood (Chief Financial Officer)

Taxpayer Classification and Compliance Status

Microsoft Corporation is classified as a ****Large Taxpayer**** under the GST framework due to its annual revenue exceeding the threshold for mandatory registration. The Taxpayer is compliant with all federal and state tax regulations, including timely filing of returns and payment of taxes.

The Taxpayer is eligible for input tax credit on all eligible purchases of goods and services used for business purposes, subject to compliance with GST laws and regulations.

Classification	Details
Taxpayer Category	Large Taxpayer
GST Compliance Status	Compliant
Filing Frequency	Monthly
Last Filing Date	June 30, 2026
Next Filing Due Date	July 31, 2026
Input Tax Credit Eligibility	Eligible

Business Activities and GST Applicability

Microsoft Corporation engages in the following primary business activities, all of which are subject to GST in the USA:

- Development, licensing, and sale of software products and services.
- Provision of cloud computing services, including Azure and Microsoft 365.
- Sale of hardware products, including Surface devices and Xbox consoles.
- Consulting and professional services for enterprise and consumer markets.
- Research and development in artificial intelligence, quantum computing, and other emerging technologies.

The Taxpayer is registered to collect and remit GST on all taxable supplies at the applicable rates as prescribed by federal and state tax authorities.

Business Activity	GST Applicability	Tax Rate (%)
Software Licensing	Taxable	10.0
Cloud Services (Azure, Microsoft 365)	Taxable	10.0
Hardware Sales (Surface, Xbox)	Taxable	8.0
Professional Services	Taxable	10.0
Research and Development Services	Exempt	0.0

Place of Supply and Tax Jurisdiction

The place of supply for Microsoft Corporation's taxable goods and services is determined based on the location of the recipient. For business-to-business (B2B) transactions, the place of supply is the location of the recipient's registered business address. For business-to-consumer (B2C) transactions, the place of supply is the location where the goods are delivered or the services are rendered.

Microsoft Corporation is registered in the state of Washington, where it maintains its principal place of business. The Taxpayer is required to comply with both federal and Washington state GST regulations.

Transaction Type	Place of Supply Rule	Tax Jurisdiction
B2B Software Licensing	Recipient's Location	Federal + State
B2C Cloud Services	Recipient's Location	Federal + State
B2B Hardware Sales	Recipient's Location	Federal + State
B2C Hardware Sales	Delivery Location	Federal + State
Professional Services (B2B)	Recipient's Location	Federal + State

Input Tax Credit (ITC) and Reconciliation

Microsoft Corporation is eligible to claim input tax credit (ITC) on GST paid for purchases of goods and services used for business purposes. The Taxpayer maintains a robust reconciliation process to ensure accurate claiming of ITC and compliance with GST laws.

The following conditions must be met for ITC eligibility:

- The goods or services must be used for business purposes.
- The supplier must be registered under GST and have filed their returns.
- The Taxpayer must possess a valid tax invoice or debit note.
- The ITC must be claimed within the prescribed time limits.

Category	ITC Eligibility	Documentation Required
Software Licenses	Eligible	Tax Invoice
Cloud Services	Eligible	Tax Invoice
Hardware Purchases	Eligible	Tax Invoice
Professional Services	Eligible	Tax Invoice
Office Supplies	Eligible	Tax Invoice
Employee Benefits	Not Eligible	N/A

GST Returns and Payment Obligations

Microsoft Corporation is required to file monthly GST returns and remit the net tax liability to the appropriate tax authorities. The returns must include details of all outward supplies (sales), inward supplies (purchases), and input tax credit claimed during the reporting period.

The Taxpayer utilizes automated tax compliance software to ensure accurate and timely filing of returns. The following returns are filed regularly:

- **GSTR-1**: Details of outward supplies (filed by the 10th of the following month).
- **GSTR-2**: Details of inward supplies (auto-populated based on supplier filings).
- **GSTR-3**: Monthly return summarizing outward supplies, input tax credit, and net tax liability (filed by the 20th of the following month).
- **GSTR-9**: Annual return summarizing all monthly filings (filed by December 31 of the following year).

Return Type	Filing Frequency	Due Date	Purpose
GSTR-1	Monthly	10th of following month	Outward supplies details
GSTR-2	Monthly	15th of following month	Inward supplies details (auto-populated)
GSTR-3	Monthly	20th of following month	Summary of tax liability and ITC
GSTR-9	Annual	December 31 of following year	Annual reconciliation

Authorized Signatory and Declaration

This GST registration certificate is issued under the authority of the United States Internal Revenue Service (IRS) and the Washington State Department of Revenue. The information provided herein is accurate and complete to the best of the Taxpayer's knowledge.

Microsoft Corporation hereby declares that all details furnished in this certificate are true and correct. The Taxpayer agrees to comply with all GST laws and regulations and to update the authorities in case of any changes to the registered details.
