

# GST Returns and Compliance Report for Tesla Inc. (July 2026)

tesla

Prepared on 2026-07-18T13:43:39

## 1. Introduction and Compliance Overview

This document presents the Goods and Services Tax (GST) returns and compliance status for Tesla Inc. (CIN: C0278187), registered at 1 Tesla Road, Austin, Texas, 78725, USA. As a leading manufacturer in the electric vehicle and energy storage sectors, Tesla Inc. adheres to all applicable state and federal tax regulations, including the Streamlined Sales and Use Tax Agreement (SSUTA) and relevant state-specific GST laws.

For the fiscal year 2025-2026, Tesla Inc. has maintained full compliance with GST filing requirements, submitting quarterly returns (Form GST-101) and annual reconciliations (Form GST-200) to the Texas Comptroller of Public Accounts and other relevant state authorities. This report consolidates Tesla's GST activities, ensuring alignment with the company's financial and operational disclosures provided in prior documents, including the Certificate of Incorporation, Asset Details, and Existing Loan Details.

## 2. Quarterly GST Returns Summary (FY 2025-2026)

Tesla Inc. files quarterly GST returns to report taxable supplies, input tax credits (ITC), and net tax liability. The following table summarizes the key metrics for each quarter of FY 2025-2026, including gross sales, taxable supplies, ITC claimed, and net GST payable. All figures are reported in USD.

| Quarter           | Gross Sales (USD) | Taxable Supplies (USD) | Input Tax Credit (ITC) Claimed (USD) | Net GST Payable (USD) |
|-------------------|-------------------|------------------------|--------------------------------------|-----------------------|
| Q1 (Oct-Dec 2025) | 25,120,000,000    | 22,345,000,000         | 1,875,000,000                        | 542,000,000           |
| Q2 (Jan-Mar 2026) | 26,890,000,000    | 23,980,000,000         | 2,010,000,000                        | 587,000,000           |
| Q3 (Apr-Jun 2026) | 24,560,000,000    | 21,850,000,000         | 1,790,000,000                        | 523,000,000           |
| Q4 (Jul-Sep 2026) | 23,200,000,000    | 20,650,000,000         | 1,680,000,000                        | 495,000,000           |

## 3. Input Tax Credit (ITC) Reconciliation

Tesla Inc. claims Input Tax Credits (ITC) on eligible purchases of goods and services used for business operations. The ITC reconciliation ensures that credits claimed align with invoices issued by registered suppliers and comply with GST regulations. The following table provides a breakdown of ITC claimed by category for FY 2025-2026.

| Category                                | ITC Claimed (USD) | Supporting Invoices Verified |
|-----------------------------------------|-------------------|------------------------------|
| Raw Materials (Batteries, Metals, etc.) | 4,500,000,000     | Yes                          |
| Capital Goods (Machinery, Equipment)    | 1,200,000,000     | Yes                          |
| Services (Logistics, Consulting, etc.)  | 850,000,000       | Yes                          |
| Utilities and Overheads                 | 705,000,000       | Yes                          |
| Total ITC Claimed                       | 7,255,000,000     | Fully Verified               |

## 4. Supplier and Customer GST Compliance

Tesla Inc. ensures that all major suppliers and customers are GST-compliant to avoid disruptions in ITC claims and supply chain operations. The following lists confirm the GST registration status of Tesla's key suppliers and customers, as verified through the respective state tax portals.

| Entity Type | Entity Name                                        | GST Registration Status | Registration Number |
|-------------|----------------------------------------------------|-------------------------|---------------------|
| Supplier    | Panasonic Corporation                              | Registered              | US-GST-789456       |
| Supplier    | CATL (Contemporary Amperex Technology Co. Limited) | Registered              | US-GST-123789       |
| Supplier    | LG Chem Ltd.                                       | Registered              | US-GST-456123       |
| Supplier    | BHP Group                                          | Registered              | US-GST-789123       |
| Supplier    | Albemarle Corporation                              | Registered              | US-GST-456789       |
| Customer    | Amazon.com, Inc.                                   | Registered              | US-GST-321654       |
| Customer    | Ford Motor Company                                 | Registered              | US-GST-654321       |
| Customer    | General Motors Company                             | Registered              | US-GST-987654       |
| Customer    | Apple Inc.                                         | Registered              | US-GST-147258       |
| Customer    | Uber Technologies, Inc.                            | Registered              | US-GST-258369       |
| Customer    | Lyft, Inc.                                         | Registered              | US-GST-369147       |

## 5. GST Audit and Reconciliation for FY 2025-2026

Tesla Inc. undergoes annual GST audits to ensure accuracy and compliance with tax regulations. The audit for FY 2025-2026 was conducted by Deloitte LLP, covering all quarterly returns, ITC claims, and reconciliations. The following table summarizes the audit findings and key reconciliations.

| Audit Parameter        | Reported Value (USD) | Audited Value (USD) | Variance (USD) | Status       |
|------------------------|----------------------|---------------------|----------------|--------------|
| Total Taxable Supplies | 88,825,000,000       | 88,825,000,000      | 0              | No Variance  |
| Total ITC Claimed      | 7,255,000,000        | 7,255,000,000       | 0              | No Variance  |
| Net GST Payable        | 2,147,000,000        | 2,147,000,000       | 0              | No Variance  |
| GST on Exports         | 0                    | 0                   | 0              | N/A (Exempt) |
| Penalties/Interest     | 0                    | 0                   | 0              | None         |

## 6. GST Payment History and Compliance Certificates

Tesla Inc. has a consistent track record of timely GST payments and compliance with filing deadlines. The following table outlines the payment history for FY 2025-2026, including payment dates, amounts, and reference numbers. All payments were made electronically through the Texas Comptroller's portal.

| Quarter           | Payment Date | Amount Paid (USD) | Payment Reference Number | Status    |
|-------------------|--------------|-------------------|--------------------------|-----------|
| Q1 (Oct-Dec 2025) | 2026-01-20   | 542,000,000       | TX-GST-2026-Q1-001       | Paid      |
| Q2 (Jan-Mar 2026) | 2026-04-20   | 587,000,000       | TX-GST-2026-Q2-002       | Paid      |
| Q3 (Apr-Jun 2026) | 2026-07-20   | 523,000,000       | TX-GST-2026-Q3-003       | Paid      |
| Q4 (Jul-Sep 2026) | 2026-10-20   | 495,000,000       | TX-GST-2026-Q4-004       | Scheduled |

## 7. Declarations and Certifications

Tesla Inc. certifies the following declarations in accordance with GST regulations and the requirements of this credit assessment process:

1. All GST returns and payments for FY 2025-2026 have been filed and settled in compliance with state and federal tax laws.
2. Input Tax Credits (ITC) claimed are supported by valid invoices from registered suppliers and are used exclusively for business purposes.
3. No outstanding GST liabilities, penalties, or interest exist as of the date of this report.
4. All major suppliers and customers listed in this report are GST-registered and compliant with applicable tax regulations.
5. This report is consistent with Tesla's financial disclosures, including revenue, EBITDA, and net worth, as provided in prior documents (e.g., Company Profile, Asset Details).
