Certificate of Incorporation Verification

The Certificate of Incorporation for Tesla Inc. was issued by the State of Delaware and remains valid as of July 2026. This document confirms the legal existence of the company, its authorized share capital, and the corporate structure. The details below are extracted from the official Certificate of Incorporation (referenced in previous submissions).

Tesla Inc. is authorized to issue 2,000,000,000 shares of common stock with a par value of \$0.001 per share. The company's corporate governance structure includes a Board of Directors, as listed in subsequent sections of this document.

Detail	Value
Issuing Authority	State of Delaware, USA
Date of Incorporation	July 1, 2003
Authorized Shares	2,000,000,000 shares of common stock
Par Value per Share	\$0.001
Registered Agent	Corporation Service Company, Wilmington, DE

Board of Directors and Key Personnel

The Board of Directors of Tesla Inc. comprises industry leaders and key stakeholders who oversee the company's strategic direction and governance. The following individuals are currently serving as directors, as verified by corporate records and previous filings.

Elon R. Musk serves as the Chief Executive Officer (CEO) and Product Architect, while Robyn M. Denholm holds the position of Chair of the Board. The board includes representatives with expertise in technology, finance, and

automotive industries, ensuring robust corporate governance.

Name	Position	Appointment Date
Elon R. Musk	Chief Executive Officer & Product Architect	October 2008
Robyn M. Denholm	Chair of the Board	November 2018
Ira Ehrenpreis	Director	June 2010
Kimbal Musk	Director	April 2004
James Murdoch	Director	July 2017

Registered Address and Operational Locations

Tesla Inc.'s registered address is 1 Tesla Road, Austin, Texas, 78725, USA. This location serves as the primary corporate headquarters and is the official address for legal and regulatory correspondence. The company operates multiple manufacturing facilities, Gigafactories, and service centers across the USA and globally.

Key operational locations include Gigafactory Texas (Austin), Gigafactory Nevada (Sparks), Gigafactory Berlin (Germany), and Gigafactory Shanghai (China). These facilities support Tesla's production, research, and distribution capabilities.

Location	Type	Primary Function
1 Tesla Road, Austin, Texas, 78725, USA	Registered Address	Corporate Headquarters
Gigafactory Texas, Austin, TX	Manufacturing Facility	Vehicle Production & Battery Manufacturing
Gigafactory Nevada, Sparks, NV	Manufacturing Facility	Battery & Powertrain Production
Gigafactory Berlin, Grünheide, Germany	Manufacturing Facility	Vehicle Production for European Market
Gigafactory Shanghai, China	Manufacturing Facility	Vehicle Production for Asian Market

Tax Compliance and Registration Certificates

Tesla Inc. complies with all applicable tax regulations in the USA, including federal and state tax requirements. While the company is not registered under a Goods and Services Tax Identification Number (GSTIN) due to the nature of its operations, it maintains active registrations for income tax and other statutory compliances.

The Permanent Account Number (PAN) TESLA1234G is used for income tax filings and financial transactions. The company's tax returns for the past three fiscal years (2023-2024, 2022-2023, and 2021-2022) have been submitted as part of the credit application process and are referenced in previous documents.

Certificate	Issuing Authority	Registration Number	Validity
Permanent Account Number (PAN)	Internal Revenue Service (IRS), USA	TESLA1234G	Permanent
Employer Identification Number (EIN)	Internal Revenue Service (IRS), USA	91-2084210	Permanent
Texas Sales Tax Permit	Texas Comptroller of Public Accounts	32031900000	Active

Directors' Identity Proofs

As part of the KYC process, the following identity proofs for Tesla Inc.'s directors have been verified. These documents confirm the legal identities of the individuals serving on the Board of Directors and are maintained in compliance with regulatory requirements.

Each director has submitted government-issued identification, such as a passport or driver's license, along with proof of address. These documents are securely stored and are available for audit purposes upon request.

Director Name	Identity Proof Type	Issuing Country	Document Number (Masked)
Elon R. Musk	Passport	USA	*****6789
Robyn M. Denholm	Passport	Australia	*****4321
Ira Ehrenpreis	Driver's License	USA	*****5678
Kimbal Musk	Passport	USA	*****9101
James Murdoch	Passport	UK	*****1213

Corporate Governance and Compliance Declarations

Tesla Inc. adheres to stringent corporate governance practices and complies with all applicable laws and regulations in the jurisdictions where it operates. The company's governance framework includes regular board meetings, audit committees, and compliance reviews to ensure transparency and accountability.

The following declarations are made in accordance with the company's obligations under the Sarbanes-Oxley Act, Securities Exchange Act, and other relevant regulations. These declarations align with the previously submitted "Declarations.pdf" document.

Declaration	Compliance Status	Supporting Document
Adherence to Sarbanes-Oxley Act (SOX)	Compliant	Annual Reports & Audit Filings
Securities Exchange Act Compliance	Compliant	SEC Filings (Form 10-K, 10-Q)
Anti-Money Laundering (AML) Compliance	Compliant	Internal AML Policies
Data Protection and Privacy Compliance (GDPR, CCPA)	Compliant	Privacy Policies & Audits
Environmental, Social, and Governance (ESG) Compliance	Compliant	Sustainability Reports

Document Verification and Authenticity

The information provided in this document has been verified against official records and previously submitted filings. Tesla Inc. confirms the authenticity of all corporate identifiers, director details, and compliance certifications included herein.

For audit purposes, the following documents have been cross-referenced to ensure consistency and accuracy: Certificate of Incorporation, Income Tax Returns, GST Returns (where applicable), and Board Resolutions. Any discrepancies or updates will be communicated promptly to the relevant authorities.
