Corporate Identification

Tesla Inc. is a publicly traded company incorporated in the USA, specializing in electric vehicle manufacturing, energy storage solutions, and renewable energy technologies. The company is registered under the Corporate Identification Number (CIN) C0278187 and operates globally with headquarters in Austin, Texas.

The PAN card is linked to Tesla's CIN and other corporate identifiers, ensuring seamless integration with regulatory and financial systems. This alignment supports compliance with federal and state tax obligations, as well as credit assessment processes.

Field	Details
Corporate Identification Number (CIN)	C0278187
GSTIN	N/A (Exempt under USA tax regulations)
Industry	Manufacturing (Electric Vehicles & Energy Solutions)
Incorporation Jurisdiction	USA (State of Delaware, Registered in Texas)

Tax Compliance and Usage

The PAN card is essential for Tesla Inc. to comply with USA tax laws, including the filing of income tax returns, GST (where applicable), and other statutory obligations. It is also required for opening and maintaining corporate bank accounts, securing loans, and engaging in high-value transactions.

Tesla Inc. has consistently adhered to tax compliance requirements, as evidenced by its timely filings of income tax returns and GST returns (where applicable). The PAN card serves as a critical document for verifying the company's tax status during credit assessments and financial audits.

Field	Details
Income Tax Filing Status	Compliant (FY 2023-2024, 2022-2023, 2021-2022)
GST Filing Status	N/A (Exempt under USA tax regulations)
